

**PROGRESS REPORT - GUIDE TO AUTHORS 2018-2020**

**GENERAL INFORMATION**

- Refer to this guide for the correct completion of each section of the Progress Report.
- Please note that if the Progress Report is completed incorrectly, it may be rejected and re-submission will then be required.
- Complete all sections in the Progress Report.
- If any substantial changes are inevitable to the Full Project Proposal which was submitted before the commencement of the project, an Addendum to the Agreement, with motivation, needs to be signed by all parties and submitted to the RMRDSA.

**COMPLETING THE PROGRESS REPORT**

**1. IDENTIFICATION**

***Please note that this section duplicates the information which was provided in the project proposal. If the project has undergone no changes, section 1. IDENTIFICATION can be copied from the approved Full Project Proposal, with the exception of point 1.11 DATE OF SUBMISSION OF PROGRESS REPORT.***

**1.1. PROJECT NUMBER**

Category (C,S,P)	Year proposal submitted	Priority (H,M,L)	Focus area (C1–C7, P1–P7)	Unique Number
------------------	-------------------------	------------------	---------------------------	---------------

This number was provided to you once your project was submitted to the RMRD SA for consideration of funding. Use this specific project number as main identification on all correspondence with the RMRD SA.

**1.1. FULL TITLE OF PROJECT**

The title should preferably be a maximum 16 words. It must include the name(s) of the animal species and/or products concerned. No abbreviations are allowed.

**1.2. SHORT TITLE OF PROJECT**

The short title should be a maximum of 6 words. The short title is used for future administrative purposes. In correspondence this title will be used and should not be changed throughout the duration of the project.
